

CLOSING THE LOOP

Giving & Receiving Feedback to Improve Learning

FRIDAY, APRIL 8, 2022

REGISTRATION OPEN!

From the feedback we provide on student work to the feedback we receive from students and peers about our own teaching, feedback is a critical – and often challenging – aspect of instruction.

Join our speakers and faculty-led roundtable discussions to help you close the loop with fresh ideas for leveraging the power of feedback in your classroom.

∞ **Friday, April 8, 2022**

∞ [Click here to register](#)

∞ **All WSU faculty, instructors & GTAs are welcome**
