Handling Final Exams during a Crisis

Flow Chart
The following flow chart can consider the options for your final exam and provide you with resources for what you select.

Have you assessed all the learning outcomes for your course already?
Yes
No

Can you redesign your assessment to evaluate your learning outcomes in an alternate format?
Yes
No

Are you sure you want to keep your exam? You probably won’t be able to proctor it.
Yes
No

Is your exam multiple choice, true/false, fill in the blank, or matching?
Yes
No

Create an assignment in Canvas. Remember that it will be open book/notes.

Consider reweighting your other assessments & cancelling the final.

Alternative Assessments:
Alternatives to Traditional Testing – UC Berkeley
Alternatives to Traditional Exams and Papers – Indiana University Bloomington
Infographics as a Creative Assessment

Use Canvas Quizzes to administer your exam. Respondus Test Builder can be used to convert existing exams.
Promote academic integrity by using question groups to select different questions for each student or randomize the question order.
